* Names of awardees indicated in alphabetical order

Under the theme of "Quality Transcends Time", QBA2010 had undergone some key transformations. Firstly, in the "Project Outside Hong Kong" category, Grand Award is awarded this year in order to give recognition to our local professionals who had devoted their hard work and expertise outside Hong Kong. Secondly, in the Finalist Presentation to Jury Panel, participating teams, the professionals and the public were all given access to the presentation, enhancing the transparency and sharing opportunities during the adjudication.

Note to Editor

Quality Building Award (QBA) was Founded in 2001 by seven building and construction related associations in Hong Kong. It is a biennial award giving public recognition to buildings of outstanding quality that have demonstrated excellent teamwork. The provision of quality building is an essential ingredient of a prosperous and modern society, and thus the Quality Building Award aims to promote a collective commitment by the building industry to maintain the highest standards of professionalism and competitiveness.

About QBA2010

Quality Building Award 2010 is jointly organized by nine professional organizations in Hong Kong (in alphabetical order):

The Hong Kong Institute of Housing (HKIH) – *Alternate Chair for QBA2010*

The Hong Kong Construction Association (HKCA)
